Minutes of Meeting

Date of meeting: 25/01/2025

Venue: Office of the Principal, Govt. Degree College Baramulla.

Agenda of the Meeting: Review of the draft AQAR 2023-24.

Worthy Principal Prof. Dr. Mohammad Shafi Lone convened a meeting of IQAC members regarding the review of draft AQAR before its last date of submission on 27th of January 2025. The meeting was convened in a dual mode as some members joined on ZOOM link. Prof. Tariq Ahmad Chalkoo, the staff secretary of the college commenced the meeting with a warm welcome and stressed upon all the members to take every possible initiative to complete the submission on the due date.

The draft AQAR was shared by IQAC Convenor Dr. Syed Mutahar Aqib. He presented the AQAR before the committee and it was observed that almost all the indicators of the AQAR are complete but there are some minor deficiencies as Sub-committee has followed a different format for data collection.

They were advised to review the format and follow the template as prescribed for autonomous colleges. They were also advised to add the data like on-line teaching learning classes and remedial classes conducted by the faculty members for week and shortage case students. It was also decided in the committee that a document will be given by the dean examination for grievance redressal of the students.

It was also suggested by Dr. Aliya Akhtar, Assistant professor Psychology to make a semester wise and course wise graphical representation of the result of students and upload it as a supporting document.

Prof. Zahid Ahmad Wani, Assistant Professor Zoology suggested that Media Studies department should be directed to depute their students' to different activities and programmes conducted in the college and record the proceedings for its publication in College Newsletter and different daily Newspapers and send the same to IQAC.

It was decided in the meeting that an MoU should be made with MC Baramulla for e-waste Management.

Eventually, it was resolved that AQAR will be submitted after incorporating minor changes suggested by the IQAC committee.

The meeting was concluded by vote of thanks by IQAC convenor, Dr. Syed Mutahar Aqib.
